The New Freedom.

The next time the hired man wants traise in wages instead of going to als employer, the proper thing for him to do is to go to Washington and tell the President that he must have it or he will absolutely refuse to help harvest the craps.—Rochester Demotrat and Chronele.

We may not agree with the professor of music at Chicago University who says that the music of an oboe tastes like a lemon and that of a cello like a cup of coffee, but the first winter concert usually gives you the faint flavor of moth balls.— St. Louis Globe-Democrat.

Musical Taste.

WILLIMANTIC OFFICE,

HARRY SKYLER ACQUITTED OF CHARGE OF MANSLAUGHTER Hartford Chauffeur Not Held Respon-

Harry Skyler, the twenty-four-yearold chauffeur from Hartford, who has been on trial in this city charged with mansiaughter, as a result of a collision between an automobile and a trolley car on Main street in this city on May 20, in which S. A. Rockwell of Windsor was so seriously injured that he died the following morning in St. Joseph's hospital in this city, was acquitted by the jury Friday afternoon after they had been out less than an hour.

7.30.

In the Baptist church services will be at 10.45 a. m; Sunday school at 7.30, 9 and 10.30 a. m. Vespers and benediction of most blessed sacrament at 3.36 p. m.

Frank E. Potter, Mrs. Olive W. Potter and Miss Doris Potter spent Friday in Norwich on business.

A list of the electors of the town of Plainfield is posted in a conspicuous place.

Dr. Downing has moved all bis and

ternoon after they had been out less than an hour.
Skyler, and with reason, was elated at his acquittal and about all those in the court room felt the same. While the death was an unfortunate affair those who had followed the evidence closely and mew the facts in the case realized that from a legal standpoint Skyler would be acquitted. Even the state, through its attorneys, had sympathy for the accused, admitted in the arguments to the jury.

place.

Dr. Downing has moved all his automobile stock to his garage on Main street from the one he recently occurpled on Prospect street.

sympathy for the accused, admitted in the arguments to the jury.

Lawyer Searls, the state's attorney, made a forcible argument for the state. Lawyer Thomas J. Kelley, who assisted State's Attorney Searls in the prosecution of the case, made a fine plea. Former Attorney General William A. King, counsel for the defendant, made a plea which was interesting as based upon his presentation of the facts in the case.

Judge Reed's charge to the jury

the facts in the case.

Judge Reed's charge to the jury took up thirty minutes. He reviewed the case and told the jury what the law was relative to the present case.

The informal jury ballot stood ten votes for acquittal, and one blank, while one voted in favor of guilt.

HUSBAND SEEKS DIVORCE

Alexander B. Riddell, of Sterling, Claims Wife Drank-Admits He Drank With Her-Decision Reserved At the short calendar session of the ering Sticks. At the short calendar session of the superior court on Friday morning with Judge Joel H. Reed on the bench the uncontested divorce suit of Alexander E. Riddell of Sterling against his wife, Annie Riddell, was taken up. Lawyer Thomas J. Kelley of this city appeared for the petitioner. Intolerable crueity was the ground upon which the petitioner based his claim for a divorce. He said that he married his wife in 1892. She acquired the drinking habit. Two

their faith, pathetic in their simplicity, kindly and respectful, their life is epi-tomized in the verse:

"Let the world slide, let the world A fig for care and a fig for woe! If I can't pay, why I can owe, And death makes equal the high and

awakened at early dawn by the toot-ing of tin horns, accompanied by the sonorous screeches of bass viols andd fiddles as sounds are sawn from their strings; by the shuffling of sandaled feet over the stones of the street, and by the babel of voices of passing peons. Church bells clang, sirens scream, whistles wildly mingle in the melody of merriment; for is not this day when Judas Iscarlot is to be hung in effigy." "A grotesque dummy figure is paraded through the town, followed by the jeering and cheering crowds, who have risen early to give expression to their righteous indignation against the betrayer. After circling the city procession halts, Judas is promptly yanked by the ropes from the bearers yanked by the ropes from the bearers and dangles in mid air, a sorry sight, spit upon, cursed, condemned, consigned to everlasting purgatory, to which place, at sunset, he is sent by the explosion of dynamite concealed in his carcass. Ribaidry rung riot as the day advances, and night falls on an exhausted though happy people. What matters if the prison is overcrowded that night, or that the supply of pulque or mescal is depleted almost to

que or mescal is depleted almost to the degree of exhaustion? "To the casual visitor from the states the habits and customs of th lowly people are strange, but fascinat-ing. They do not need our commiseration or sympathy; they are content in their mode of living, and who shall say that they are the less happy or

human in their habitat than many of are drawn by related abreast, beaten into subjection by the stinging lash or coaxed into action by the curses of the youthful drivers, whose vernacular is wonderfully expressive and profane indeed, I doubt if anything but a mule can really appreciate the dept hof feeling and irresistible persuasiveness of the vile expressions.

Is born to serve, as the critical casts or class distinction is emphasized on all occasions. The mozo rides silently behind the lordly caballero; the peen woman steps into the street and bows her head as the padre passes; in the plaza on Sunday evenings, when the melody of martial music fills the air, the upper classes parade in one direction, while The Mexican peon knows that he

of the soil their methods are primitive but productive; they still use oxen and the wooden plow share, and the fields are fenced with imperishable dry-rock walls. In the making of pottery and basketry they excel; in tanning hides, saddlery and the working of metals they are inimitable. The women, too, can grind corn on a metale, cook tortillas and frijoles, raise families, launder clathes on a rock near the creek, make the most exquisite laces and the finest of drawn work with equal sidil."

There's nothing a manly man ad-mires more than a girlish girl or s
